

Billing Freight Charges for Domestic Shipments (Rev. 1-6-2011)

BACKGROUND

Ground freight is automatically calculated using the table below. This freight table is not used for international and leasing orders or any orders shipping to Alaska and Hawaii. These orders are charged actual freight. Also, this table is not used for repair orders. Technical Service uses a shipping and handling fee for repair orders.

This table is used to calculate ground freight on all other orders including credit card orders. The credit card amount including shipping charges must be authorized before the order can ship.

POLICY:

Using the merchandise dollar amount of the order calculate the freight based on the following table:

Total Price of Merchandise Ordered	Standard Freight Rate
\$0.00 - \$49.99	\$9.50
\$50.00 - \$249.99	\$13.50
\$250.00 - \$999.99	\$15.50
\$1,000.00 - \$2,499.99	\$22.00
\$2500.00 - \$4,999.99	\$43.00
\$5,000.00 - \$12,499.99	\$72.00
\$12,500.00 - \$24,999.99	\$145.00
\$25,000.00 - \$49,999.99	\$260.00
\$50,000 - \$99,999.99	\$350.00
Over \$100,000.00	\$415.00 flat fee
Refrigerators	\$155.00 per unit*

*The total price of merchandise orders will not be used when ordering:

- A refrigerator (s) which includes the Glaciers and Avalanches. The \$155 freight amount will not be used for the 3700 ZR refrigerator. The freight for the 3700 ZR's will be based on the dollar amount of the order.
